1. For Architectural general business corporations, 2/3 of the voting shares must be owned by Connecticut licensees.
2. For Architectural PCs and LLCs, at least 2/3 of the voting shares must be owned by Connecticut licensees; any remaining shares must be owned by persons licensed as Architects by a sister jurisdiction, and all owners must be individuals (not corporations, ESOPs, etc.).
3. For PE, LS, or LA general business corporations (no joint practice), there is no requirement that any stock be owned by a Connecticut licensee; there must, however, be a Connecticut licensed individual in responsible charge of all Connecticut work.
4. For PE, LS, or LA Professional Corporations or LLCs (again, not for joint practice), no voting stock is required to be owned by Connecticut licensees. But, 100% of the owners must be licensed professionals, all owners must be people (humans; no corporations or ESOPs, etc.), and a Connecticut licensee must be in responsible charge of all Connecticut work.

5. For any joint practice general business company, 2/3 of the voting shares must be owned by Connecticut licensees. Further, as to each profession, its members must own at least 20% of the stock.
6. For any joint practice PC or LLC, at least 2/3 of the voting shares/ownership must be owned by Connecticut licensees, and each profession must hold at least 20% of the voting shares/ownership. Finally, each person who owns voting shares or is an owner must be a licensed professional, and must be a person (not a company, ESOP, etc.).

C-2- **Terentiuk, Stefanie L-** Ms. Terentiuk will appear before the Board at 9:30 am to discuss her application which was denied by the Board at their February 5, 2013 meeting. The Board's review determined that she lacked a basic degree in engineering. Ms. Terentiuk provided additional information to her application. (Dist. 2)

Ms Terentiuk appeared before the Board to expand on her experience and education. The Board felt that she made a conscious effort to meet the education requirement.

Motion made by (5) seconded by (2) to approve the applicant to sit for the principals & practice of engineering exam. Motion carried.

C-3 Discussion of reinstatements of licenses over 5 years- Board's criteria to reinstate those licenses that complete a new application and have lapsed over five years.

The board stated that when reviewing reinstatements over 5 years that the applicant must show that he/she has been continually practicing in another jurisdiction.

Reconsideration

Permit CL 9 Exam

Capozzi, Stephen M-Mr. Capozzi's application was denied by the Board based on a lack of an engineering degree. Mr. Capozzi forwarded transcripts and is asking the Board to reconsider his application.

Mr. Capozzi reviewed his transcripts with the Board and was advised that breadth courses were missing which is part of the basic engineering programs.

GG-Other Items

GG-1 Email from Tony Buschur that was forwarded to the Board for advice. (Dist. 2)

Mr. Buschur holds a degree in physics and with the experience listed wanted to know if he would meet Connecticut's criteria to sit for the PE Exam.

The Board advised that since he does not have an undergraduate degree in engineering, he should compare the courses that he completed with the ABET requirements.

Motion made by (7) seconded by (9) to adjourn. Motion carried.

Meeting adjourned at 10:25 am

The next meeting is scheduled for June 11, 2013.

Respectfully reviewed by:
Anthony L D'Andrea, P.E. & L.S.
Chairman

Respectfully submitted by:
